STATEMENT OF UNDERSTANDING & CERTIFICATION BY APPLICANT

The applicant understands that the City of Auburn must approve the proposed exterior storefront improvements. During the application process, the City will require the applicant to be available for a site visit with City of Auburn officials. Certain changes or modifications may be required by the City of Auburn prior to final approval. A commitment of funds will not be processed prior to the City's receipt and approval of bids for the established scope of work. Unless otherwise agreed, work must be approved by a licensed contractor, approved sign maker, or other recognized professional or company. Any work commenced prior to a commitment letter being issued will not be eligible for reimbursement, and any work deviating from the approved work must be pre-approved by the City in order for the work to be eligible for reimbursement.

The applicant certifies that all information in this application, and all information furnished in support of this application, is given for the purpose of obtaining a Storefront grant and is true and complete to the best of the applicant's knowledge. If the applicant is not the owner of the property to be rehabilitated, or if the applicant is not the sole owner of the property, the applicant certifies that he/she has the authority to sign and enter into an agreement to perform the rehabilitation work on the property. Evidence of this authority must be attached. Verification of any of the information contained in this application may be obtained by the City of Auburn from any available source.
