## 2021 Code Adoption

Effective date March 15, 2024

CITY OF  
**AUBURN**  
WASHINGTON

## Revised Effective Date For 2021 Codes

- The State Building Code Council voted on May 24, 2023, to delay the effective date of the 2021 codes for 120 days, which changed the effective date from July 1, 2023, to October 29, 2023. On September 15, 2023, the State Building Code Council agreed on another delay. **The new effective date for all building codes is March 15, 2024.**

## What Does This Mean?

All projects submitted before the effective date of March 15, 2024, will be vested into the 2018 codes. All submittals on or after the effective date will be required to conform to the 2021 codes.
